Dear Ms. Barder,

This letter is to inform you that the original claims 1 through 5 are canceled and replaced with claim 6. Further, claim 6 is incorrectly labeled as claim 1 on page 10 of the revised document I sent you. Further, three drawings have been added. Please advise me of any additional fees that may be owed.

Sincerely yours,

Wendel Dean Renner,

I would like to have the review with you. 10:00 am any morning would be OK with me. Is the patent office near a metro station? If so I just need the station name and line color. I usually park the car in the outskirts of DC and ride the train or subway in.

I would suggest you simply pick a date, write below, and fax this back to me at 410 997 9578 or email WendelDRenner@comcast.net

Thankyou.

Wendel Dean Renner
